Conflict in relationships is a fact of life. When people are around each other there is not only the potential for conflict, but there is going to be conflict in some form, to some extent, at some time. Rather than fearing conflict, Dr. Dennis Morgan encourages readers to see conflict as an invitation from God to strengthen relational closeness. Fighting for Peace will challenge you to consider your personal relationship with God, to more fully know and examine yourself, and to move toward others in humility - combating conflict with character.
