Some of the questions answered in this book are: • Does a form not limit God? • Why is an image made of stone considered to be God? • If the Deity is God, then why can't the Deity blow away a fly on his face? • Is Deity worship meant for less intelligent people? • When we place food on front of the Deity, does anything really happen to the food? • Why do we move various items in circles around the Deity during aratis? • Is Deity worship of any practical use in our modern times? The book will offer: • Deeper insights into the meaning and necessity of Deity worship to those already practicing it. • Systematic logical, philosophical and scriptural answers to those having questions about Deity worship. • Refreshingly new perspectives to those equating Deity worship with idolatry.
