“If you want to date me, all you need to do is say the word. I’d never let you go.” I added Sage to my rugby club’s annual list of women who are off limits thinking I could protect her from the gorillas I play with. Aspen's a small town in the off season when the dating pool shrinks to the size of a melted snowflake. Never did I think I’d be the one to break the code and date her. Even if it’s all for show. A wager between friends. An excuse to hang out with her more. Nothing more than that. Right? \*\*\* Who agrees to date their best friend over a green smoothie? Apparently this girl right here. Now the man-bun-sporting South African rugby god next door is my fake boyfriend. I need to rebuild my confidence after some poor dating decisions. Who could be better to fluff my ego than Aspen’s hottest bachelor? This situation is a win-win. Right? Next to You is a standalone Romantic Comedy/New Adult Romance about a rugby player and an heiress in Aspen. Stan and his man bun first appeared in the Modern Love Story Short, Take for Granted. This is a full-length novel told in dual POVs.
