Praise for spiritual selling

"This is the only book I have ever read that seamlessly combines spiritual laws and sales. It shows you how to make internal changes that will impact your outside world. For my money, this is the best book out there for entrepreneurs and salespeople."

--Dr. Joe Vitale, author of *The Attractor Factor* and *Zero Limits*

"Nunziata has discovered the secret to success and abundance: that it comes from within and is created by your thoughts and feelings. His techniques are easy to follow and essential in helping you attain your true business potential. He knows that being successful is not about how many hours you work, but how you see yourself on your most basic level."?? ??

--Susan Kerr, spiritual counselor and author of *The System for Soul Memory*

"Nunziata is the real deal when it comes to creating more sales. He has gone deep in his own life to learn his invisible blocks and is the master at teaching others how to do the same. He has an effective process to help salespeople and entrepreneurs move those blocks with ease-like they're children's block toys! As the creator of the Selling-Without-Selling program, I share his philosophy and know you will learn so much about yourself and what blocks your way. If you're serious about selling from your heart and soul and feeling really great about yourself and about selling, this book is a must!"

--Dr. Terri Levine, Master Certified Coach and author of *The Successful Coach*, *Work Yourself Happy*, and *Stop Managing, Start Coaching*

"If you're tired of the push and pull that comes with traditional methods of selling, *Spiritual Selling* is a must-have. The principles Nunziata teaches are based on attraction rather than force. His approach is not some pie-in-the-sky theory. Rather, he skillfully shows how you can begin attracting business to you rather than chasing after it-more business than you dreamed possible. Regardless of what you sell, this book will enlighten you in ways you never imagined."

--Kathleen Gage, author of *The Law of Achievement*
