Title: Terrorism: WTF? Weapons, Tactics, and the Future Author(s): Hefron Casserleigh Audrey & Merrick David ISBN: 9781465234902 I purchased this book for my 2014 summer semester class and kept it in excellent condition. I see that it is now no longer available to be sold from Amazon and is priced ridiculously high from the other marketplace sellers. That being said, I'm looking to help out a fellow student on a college budget and priced this book at a great value. This book is ready to ship now and should arrive in 3-5 business days. Please contact me with any questions. Thank you!
