The end of the world. 666. The Antichrist. Most everyone has heard something is coming. The bigger questions are: What will set the stage for what is coming? What is happening in our world right now? How are we being affected and don't even realize it? The apostle John said the Spirit of Antichrist is at work in society and in the church right now. What is it doing? Can we recognize it? Have we already been deceived and lulled to sleep?

In *Breath of Antichrist*, author Vern Peltz reveals what John was referring to by the Spirit of Antichrist. He shows how it is alive and active in every tier of mankind from our personal lives, families, and churches, to our nations. He exposes the system of how it quietly operates and is openly being embraced in every level of society.

Its goal is to undermine and destroy you, your family, your church, and nations; and it is succeeding with alarming efficiency.

Warning: This book will not leave you the same person you are right now.
