Massive conversions have already taken place, claiming upwards of four billion converts...among them many Christians.

It is a massive global boom in a materialistic-based faith called Mammonism, which is leading the world into an endtime trap--a global money snare.

What form will this trap take? How can its grip be avoided? Can Christians prosper in the Lord's grace and live free of any complicity in this endtime agenda?

This book answers these tough questions, dealing with the hooks and dangers of living during a time when the enemy is setting a deadly snare for the last-day world.
