## **The Geometries of Love** Robin Wayne Bailey

“The Geometries of Love is a sly title, teasing us with the thought that something as unwieldy as love could be reduced to neat, measurable points and lines. These poems of longing, remembrance, and sometimes regret are alive with the unmeasurable—passion both everyday and extraordinary, and the shadows and imagery it imprints on the soul. Because these poems are heartfelt, they soar.” - Wayne Courtois, author of A Report from Winter An Imprint
