Each urban trek covers the culture, architecture, geography, and history of the area. Along the way, Strzelecki directs the eye to telling details that reveal the past just behind the present and enrich the walks. Here, too, are all the necessary aids for the ease of the hiker: a map that correlates beautifully with the text, and an overview of directions, attractions, and places to eat. Throughout, the author's evident love of Baltimore inspires the reader to put on good walking shoes, scoop up the kids, and get moving.
